NEWS from the CWC

CWC hosts seminar for septic designers, contractors

MARGARETVILLE, NY, March 17, 2014 – The Catskill Watershed Corporation (CWC) will host a seminar Thursday, April 17 for engineers and contractors who design and install on-site septic systems.

The workshop on Advanced Enviro-Septic Treatment Systems and standard onsite system designs will run from 9:30 to 2 at the CWC office, 905 Main St., Margaretville. Space is limited. Register online at www.cwconline.org by Thursday, April 10.

The free workshop will be led by Presby Environmental Sessions. Four Professional Development Hours will be provided for the 4.5-hour course which is intended for engineers and designers of residential and commercial septic systems. Morning refreshments and lunch will be provided.

CWC programs and projects are explained in detail on the corporation’s web site: www.cwconline.org. Inquiries are welcome Monday through Friday from 8 a.m. to 4:30 p.m. at the CWC’s offices, 905 Main St., Margaretville; via email at invest@cwconline.org, and over the toll-free line, 877-WAT-SHED.
