CWC Approves Septic System Repairs and Replacements

ARKVILLE, N.Y., June 8, 2021– On June 1, the Catskill Watershed Corporation (CWC) Board of Directors approved funding for several projects in the Septic program.

A total of 23 homeowners in 14 towns in Delaware, Greene, Schoharie and Ulster Counties were awarded funding for replacement septic systems and additional construction costs.

The CWC is a non-profit, Local Development Corporation responsible for several environmental protection, economic development, and education programs in the New York City Watershed West of the Hudson River. www.cwconline.org
