CWC Provides Stream Cleaning Supplies

ARKVILLE, N.Y., March 21, 2023– April 22 is Earth Day, time to shower a little love on your favorite stream or community.

The Catskill Watershed Corporation (CWC) provides supplies to groups and individuals who clean litter and other debris from streambanks in the Catskill-Delaware Watershed and dispose of it properly.

Heavy duty trash bags, gloves and tokens of appreciation are available to individuals, youth and school groups, church organizations, civic and business associations, neighborhood groups and teams of friends who volunteer to scour streambanks and riversides for trash.

Please call Samantha Costa at 845-586-1400, scosta@cwconline.org, to schedule a date and time to pick up the supplies.

The CWC is a non-profit, Local Development Corporation responsible for several environmental protection, economic development and education programs in the New York City Watershed West of the Hudson River. www.cwconline.org
